Insurance Coverage, Commercial/Corporate/Business Disputes, Ethics/Professional Liability

Kenneth J. Balkan, Esq. has been a mediator and arbitrator for the past 20 years. As a neutral and legal practitioner, he has handled a wide variety of matters including insurance coverage, complex business and partnership disputes, multi-party tort litigation, legal fee issues and professional liability lawsuits.

Mr. Balkan was an early advocate of Alternative Dispute Resolution. He was appointed as an Early Neutral Evaluator by the United States District Court for the Eastern District of New York during the initial stages of its court-annexed ADR procedure where he mediated a variety of tort, commercial and contract disputes. He is also regularly appointed as sole or lead arbitrator on arbitration panels

for the 10th Judicial District of Nassau County, Part 137 Attorney/Client Fee Dispute Resolution Program, and was selected as a Court Appointed Referee in a complex corporate family dispute in which he addressed interim disputes while shepherding the parties through a satisfactory corporate sale.

Mr. Balkan has received high praise from counsel from both sides of the bar who have appeared before him at mediations and arbitrations. He has been described as “an extraordinary, capable mediator”, “his considerable experience in legal fee disputes was masterful in bringing parties to a settlement agreement”, “thorough and well-prepared”, “extremely fair and unbiased and was able to neutrally point out each party’s strong and weak points of their case.”

As both a litigator and mediator, Mr. Balkan has a wealth of experience handling, counseling, supervising, and mediating complex claims and lawsuits throughout the United States including matters involving commercial disputes, construction accidents, corporate management agreements, disability and life insurance claims, franchise acquisition, legal fee disputes, licensing issues, partnership disputes, professional liability and disciplinary proceedings, property damage, real estate and foreclosure issues, receivership claims, subrogation, surety bond indemnification, and wrongful termination of employment.
